Example:

CANNOT LOG-IN?????
TRY THESE STEPS….

*Make sure you place a 0 (zero) in front of your ID# in your username. Ex. Nape0123456

*Make sure for the default password with Stu# - you actually type those letters S T U # and then your year birth. Ex. Stu#2004

**IF NONE of that works try the following:

STEP 1: Try both default passwords. Unfortunately, sometimes the password is different between MyLC and Blackboard.

STEP 2: Try to reset password on your own using the "forgot password" link. The only thing is if you did not use a SSN on application, it will not let you reset on your own.

At that point, contact Lee College helpdesk.
